The Kevin Hight Endowment for SGA Youth Leadership

What: A charitable fund that provides ongoing support to a specific charity, cause or organization- in perpetuity! It is our privilege to honor Mr. Kevin Hight with this endowment which will enable Terry Sanford High School Student Government Association members to continue the legacy of leadership instilled by him, not just today- but forever.

Why: In his 25 years as an educator, Mr. Hight has touched the lives of hundreds of students. His dedication to Terry Sanford and the Student Council has shaped not only the school, but transformed many of us into the leaders we are today. Mr. Hight cultivated a spirit of service that will motivate us to always remember we can make a difference wherever we go.

When: This fund is a **SURPRISE** to Mr. Hight and will be revealed to him at his retirement celebration on July 15, 2018.

Charitable Purpose: 100% of your gift will provide support for the Terry Sanford High School Student Government Association at the discretion of the FTS principal and SGA staff advisor. Gifts to this fund may be used to support registration, SGA conference travel, and SGA related expenses of SGA members.

Challenge: We are asking students, parents and colleagues who were impacted by Mr. Hight's many years of service to the educational community to come together and raise \$10,000 to make this a fully endowed fund in his honor. This means that, each year, at least \$400 will be donated to the FTS Student Council in Mr. Hight's honor- FOREVER!
