A RESOURCE FOR MAKING A DIFFERENCE IN OUR COMMUNITY

Cumberland Community
Foundation, Inc.

A LETTER FROM CUMBERLAND COMMUNITY FOUNDATION

Philanthropy is the desire to promote the welfare of others, expressed by the donation of money to good causes and the sharing of time and talent through volunteering. For the last forty years, Cumberland Community Foundation has been connecting generous people to opportunities to make a difference.

Charitable giving is very personal, often driven by our own experiences and deeply held beliefs. Time and again, we see what passionate donors and volunteers are able to accomplish through our local nonprofit organizations: Homeless and at-risk individuals are provided shelter.

Those in need are given access to medicine, direct care, and doctor referrals. Abused children are able to heal their wounds and receive therapy. Our history is preserved and shared. Abandoned pets are rescued by loving owners. More trees are planted, and rivers are protected. Young people reach their potential thanks to college scholarships. The hungry are fed. Our community enjoys an award-winning theatre, botanical garden, symphony, military museum, and library system. The list goes on.

Since 1980, the foundation has distributed more than \$60 million in grants and scholarships. We are firm believers that every dollar counts, and every dollar can make a difference right here in Cumberland County, North Carolina. Whether giving to an existing endowment or creating your own legacy, the foundation makes it possible for donors to support their chosen causes in perpetuity.

We created this Guide to Giving to expand awareness of the vital nonprofit sector that we have here in Cumberland County, North Carolina. We encourage you to utilize this Guide as a resource throughout the coming year. We also invite you to turn to page 24 and learn how easy it is to create your own charitable legacy through an endowment that you design for the organizations and causes of your choice.

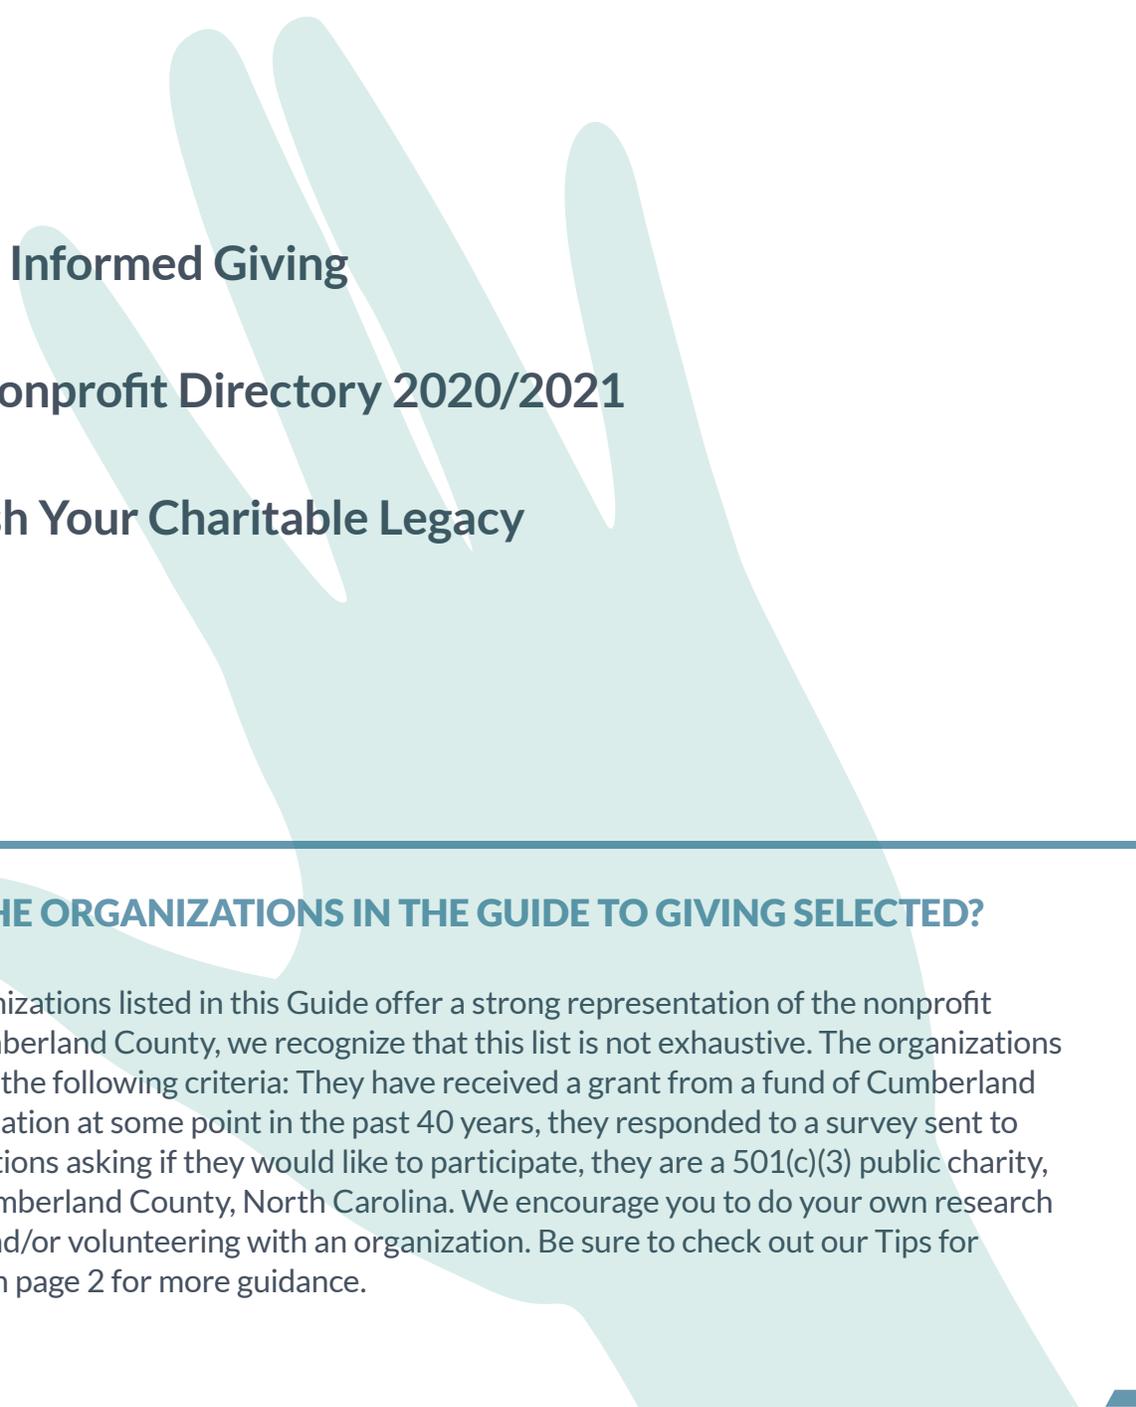

Thank you for supporting these local organizations that are doing very important work. You will make a lasting difference with your time, talent, and treasure.

HOW WERE THE ORGANIZATIONS IN THE GUIDE TO GIVING SELECTED?

While the 73 organizations listed in this Guide offer a strong representation of the nonprofit community in Cumberland County, we recognize that this list is not exhaustive. The organizations included met all of the following criteria: They have received a grant from a fund of Cumberland Community Foundation at some point in the past 40 years, they responded to a survey sent to over 100 organizations asking if they would like to participate, they are a 501(c)(3) public charity, and they serve Cumberland County, North Carolina. We encourage you to do your own research before donating and/or volunteering with an organization. Be sure to check out our Tips for Informed Giving on page 2 for more guidance.

TIPS FOR INFORMED GIVING

GIVE FROM THE HEART, GIVE RESPONSIBLY

Charitable giving is one of the most meaningful things a person can do, and regardless of gift size, a bit of planning ahead of time is a great idea. Follow the tips below to make sure you are giving with confidence to charities you trust.

DEFINE YOUR MISSION. Consider the issues and causes that fire you up: What would you like to change about our community? How would you like to make a difference? Once you have defined your charitable vision, find a nonprofit whose mission and programming align with your core values and goals.

ENSURE THE ORGANIZATION'S LEGITIMACY. Verify the organization is a reputable charity by using a third-party site that is focused on vetting nonprofits. Among many things, you will want to confirm that the organization is tax-exempt and complies with the IRS requirement that a 501(c)(3) public charity must make three years of filed Forms 990 readily available to the public.

LEARN HOW YOUR GIFT WILL BE USED. Try to gain insight into the organization's financial health and budget breakdown by reviewing their Form 990. This provides an in-depth view of an organization's financial stability, leadership, and where its money goes. A responsibly run organization will be transparent and forthcoming with the public.

ASSESS THE IMPACT OF THE ORGANIZATION. What measurable effect is the organization having in the community? Explore the nonprofit's own website, social media presence, and publications such as their Annual Report. Search the organization's name online. What news articles or other information can you find about the work they are doing? Most credible charities are happy to celebrate the impact they are having, so it should not be difficult to learn more about their work.

DON'T FORGET: YOU CAN GIVE MORE THAN MONEY. Nonprofits are often looking for willing volunteers that can help with day-to-day operations or special projects. Volunteering is a win-win in that it helps organizations save money on having to hire help, while allowing you to make a difference and give back to your community through your time and talent.

HAVE FUN! Studies show that giving and volunteering increase lifespan, happiness, and quality of life. People give for a variety of reasons. Whatever your reason for giving, enjoy yourself and give generously!

His Outreach Worldwide, Inc.

2770 Breezewood Ave., Fayetteville, NC 28303
910-864-3991
www.hisoutreachworldwide.org

His Bread of Life Food Pantry allows patrons to shop in the food pantry as they would a store. This serves two purposes: 1. It creates a sense of dignity. 2. It cuts out wastefulness. Instead of patrons being handed a bag that may contain foods they are unable to eat, whether due to food allergies or that they simply don't care for them, clients can choose food items that meet the needs of their entire family. The Pantry serves veterans, the homeless, women's shelters, those with substance abuse, and anyone in need. They come in and enjoy coffee, homemade goodies, loving fellowship, and lots of laughter.

"Fayetteville feels like the biggest small town in the world. Volunteering in our community means that you often see the impact of your work - you know what you've done has tangibly touched someone's life, and that makes it even sweeter. How special it is to make a difference in a place that has given so much to me."

Massey Hill Heritage Preservation Project

166 Bow St., Fayetteville, NC 28301
910-286-6887
www.MasseyHillHeritage.org

Over a century has passed since the textile industry moved onto the farmland of Massey Hill. The mill opened around 1900, and during the next 100 years, "mill villages" sprung up as thousands of families relied on the textile jobs to raise their families in the area. They formed a close-knit bond that remains in their descendants and the residents of Massey Hill. The Massey Hill Heritage Preservation Project has acquired an original house from the historic neighborhood and plans to relocate and restore the house as a community museum to build awareness and greater appreciation for the historic significance of this community.

Cumberland Community Foundation, Inc.

PO Box 2345, Fayetteville, NC 28302
910-483-4449
www.cumberlandcf.org

Cumberland Community Foundation's (CCF) mission is "Giving together to enhance the quality and spirit of community life." CCF connects donors to opportunities to make a difference, whether that is sustaining the arts, furthering education, providing food and shelter for those in need, sending children to camp, helping the elderly, or any number of worthy causes. CCF helps local nonprofits with grant support, training, meeting space, and endowment management.

ESTABLISH YOUR CHARITABLE LEGACY WITH CUMBERLAND COMMUNITY FOUNDATION

Cumberland Community Foundation helps donors make life better in Cumberland County and beyond. Since 1980, we have awarded over \$60 million in the form of grants and scholarships and we have provided the opportunity for citizens to come together and give generously to make our community stronger. These everyday heroes are creating a better future through their philanthropic efforts at CCF. You can join their efforts and create your own charitable legacy today!

Partnering with CCF is as easy as 1, 2, 3!

Step One: Create or Add to a Charitable Fund.

First, determine whether you would like to create your own fund at CCF, or if you would like to contribute to an existing fund. There are a variety of fund types that can meet your unique goals:

Designated Endowment Funds benefit the nonprofit organization, educational institution, or religious establishment of your choice. Annually, a grant is made from the fund to one or more specific organizations, giving them a steady source of support on which they can depend year after year.

Field of Interest Endowment Funds allow you to direct your giving to an area of need that you care about most. The annual grants from this fund type help meet emerging needs within your chosen field of interest. Examples include the arts, education, children, health, and historic preservation.

Scholarship Endowment Funds allow you to support educational opportunities for deserving students. A scholarship fund allows donors to recognize and support students without the added rigors of managing a scholarship program in its entirety.

Donor Advised Funds are simple, powerful and highly personal approaches to giving. A donor advised fund allows you to manage your giving, whether through a non-endowed fund or through an endowed fund. This fund type is perfect for donors who would like to remain actively involved in grant recommendations or who would like to include their heirs in grantmaking.

WHAT IS AN ENDOWMENT?

An endowment is a charitable fund that provides ongoing support to an organization or cause — in perpetuity! The fund is invested and continues to grow through sound stewardship on the part of CCF.

Each year, a grant is made to a charitable purpose of the donor's choice from the income of the fund. By protecting the principal of the fund, it continues to grow and create income for the chosen organization or cause, making a positive impact — forever.

Unrestricted Endowment Funds allow donors to provide support that is flexible enough to meet changing community needs. Unrestricted funds ensure that resources are available to seed important ideas, close the gap on critical needs, address emerging challenges, and seize opportunities across our community. The annual grants from unrestricted endowments are distributed through CCF's competitive grantmaking program and committees.

Step Two: Choose How You Would Like to Give.

You can donate a variety of assets to any of CCF's existing charitable funds or to a new fund that you create. The timing of your gift is up to you:

Give Now through cash, stocks, bonds, mutual funds, real estate, charitable lead trusts, personal property, or a charitable IRA rollover. Gifts of cash and/or stock are our most popular types of charitable gifts because of their simplicity.

Give Later through your will, retirement assets, charitable remainder trusts, or life insurance policies. Such gifts enable you to make significant contributions that may not have been possible during your lifetime. Naming CCF as a beneficiary in your will, retirement plan or life insurance policy can be as easy as adding a few lines to the existing documents.

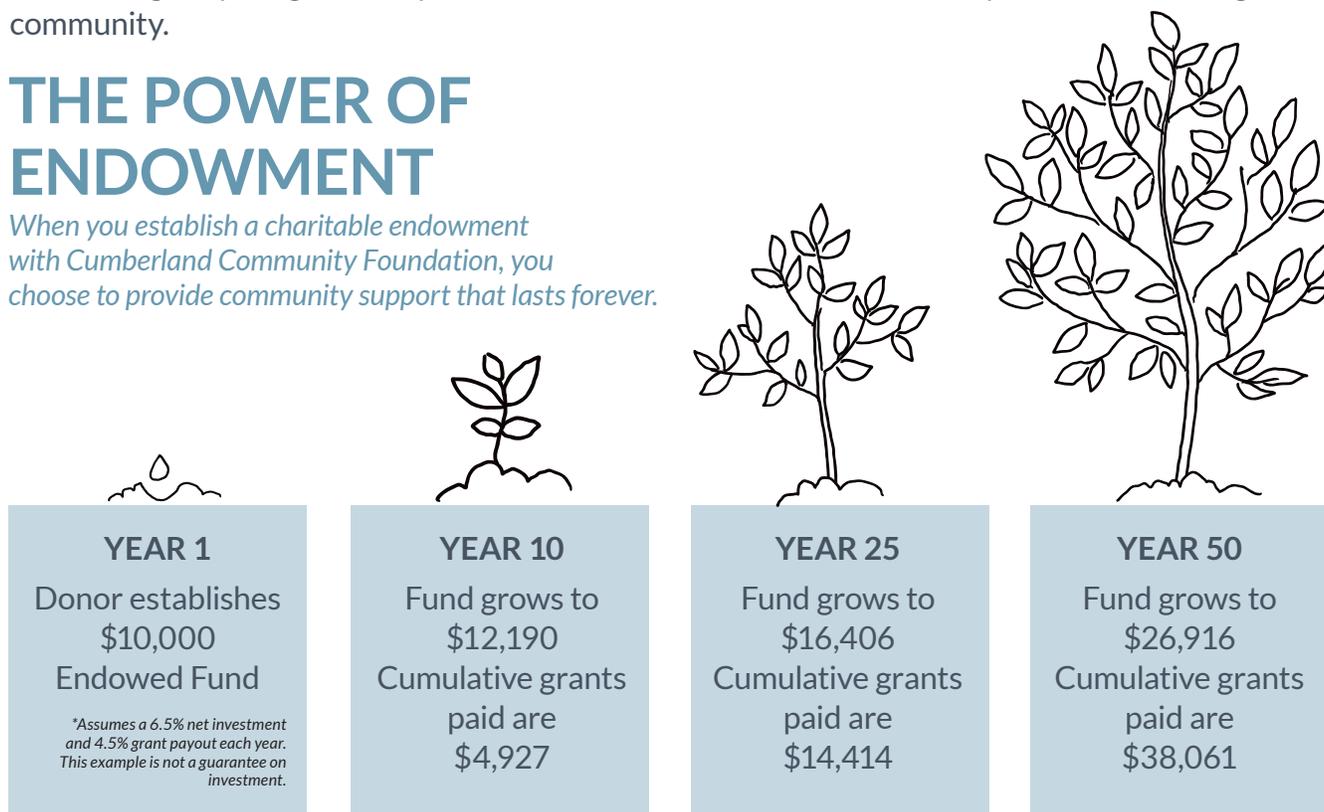

Please consult your professional advisor for more information regarding your individual financial needs and estate planning.

Step Three: Enjoy Your Charitable Legacy!

Charitable giving is one of life's most rewarding endeavors. CCF can help you create your own legacy with a fund that makes an impact both now and in the future. No matter how or what you choose to give, your generosity will make a difference in the lives of many and build a stronger community.

THE POWER OF ENDOWMENT

When you establish a charitable endowment with Cumberland Community Foundation, you choose to provide community support that lasts forever.

Contact CCF at 910-483-4449 ext. 107 or info@cumberlandcf.org to learn more about how you can make a difference in the community both now and forever.
